

Print keeping 1:1 scale (100%)

Print out this Espresso Paper Template at 1:1 or 100% scale.

Make sure to **verify** references at the bottom of page 2.

Cut out the template, including the black circle outline.

To find the correct fit, place each template in the bottom of the basket.

The goal is to cover the perforation diameter or basket holes completely, while avoiding bowing or bending.

\* Sometimes the printout will not be accurate. Best to check references on page 2
